

There is no better way to truly experience the geology, history, flora and fauna of the Magaliesberg than hiking through the mountains itself.

The trail offers a wide range of terrain and ecosystems. The goal of the trail is to offer visitors opportunities for hiking, recreation and education while enjoying the scenery and wildlife of our area.

The hiking trails offer an opportunity to do just that with 12kms of some of the most beautiful scenery you will find in the North West.

The trail was developed by

Gerhardt van Greuning, Senior auditor: Greenflag;  
Boardmember: Hiking SA and Ecotrail product  
developer in July 2018.

Farm Rietfontein 348JQ | Rietfontein | Rustenburg

# day hikes

# brown trail

R85,00  
per person

R30,00  
per child under 10

Average time: 2 - 3 hours

Difficulty: EASY

# green trail

R85,00  
per person

R30,00  
per child under 10

Average time: 5 - 6 hours

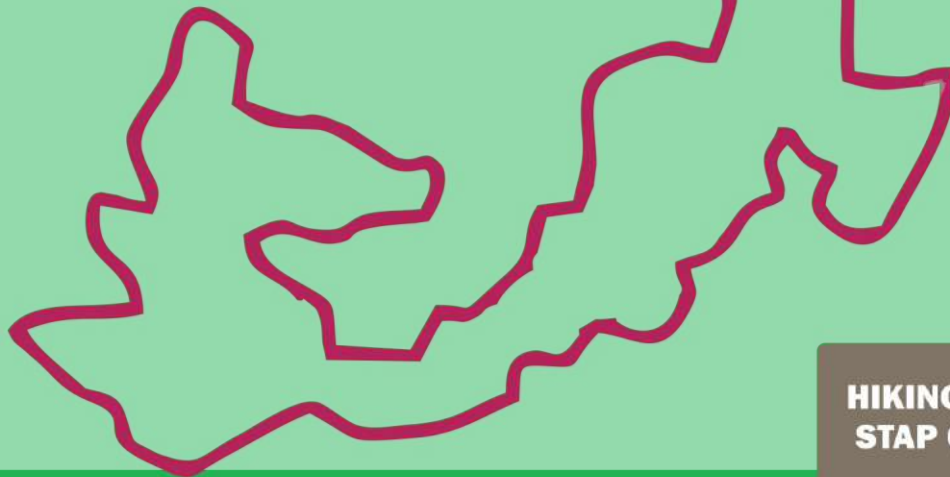

Difficulty: MODERATE

Enjoy the magnificent views while hiking the Magaliesburg mountains at Milorho lodge.

The hikes are unique in that they pass through a gorge, rock pools and water-falls.

There are iron age buildings on the farm as well as an abundance of flora and fauna. The rock formations are out of this world.

The Hiking trails must be reserved in advance.

## Things to bring along:

- Hat
- Sunscreen
- Comfortable hiking shoes
- Water
- Camera

**HIKING AT OWN RISK  
STAP OP EIE RISIKO**
